Application: 25/502150/FULL 96 Church Lane, Newington ME9 7JU

Proposal: Erection of 1.09m fence along front boundary (retrospective).

Response sent: Newington Parish Council regrets the fact that this is a retrospective application and is surprised that this relatively new development does not have a covenant on it regarding open frontage. The Council requests that any comments from neighbours must be taken into account.

Proposal: Loft Conversion with a new roof, front and side dormers and a Juliet balcony. Erection of two storey side and rear extensions, a single storey rear extension and front porch.

Response sent: Newington Parish Council has considered this application. We are confused as some of the documents refer to 88 Bull Lane rather than the application for number 90. If this is a draughtsman error our response is: Newington Parish Council has considered the application and has no comment to make save the request that any neighbours comments be taken into account.
